Subject: Follow up from meeting on Indirects
Date: Friday, December 19, 2014 1:45:02 PM

Thank you for participating in the special account indirects meeting on December 11th. While I thought we had clarity on next steps, subsequent conversations have led me to believe that is not the case. So this email provides what I believe are the next steps as well as the proposed "question" to informally discuss with OGC.

SASMC Members: Please confirm your approval of these next steps to me by COB Friday, January 2nd. If you have a different understanding or an alternative proposal, please let me know ASAP so we can continue to move forward.

Next Steps:

-
-OCFO, OSRTI, and OSRE staff will hold an informal discussion with OGC CRFLO (appropriation law group) and SWERLO (CERCLA law group) in January.

-Staff will discuss the following question with OGC: **Exemption 5 - Attorney-Client Privilege**

[REDACTED]

-Staff will report back to the Special Accounts Senior Management Committee via email, and the Committee will discuss next steps at the next semi-annual meeting to be held in the February/March timeframe.

Thanks
